### City Council Narrows City Manager Search

The San Marcos City Council has announced three finalists for the position of City Manager following two days of interviews.

They are Jeffrey Howell, City Manager of Kilgore, Tx, Scott Moore, City Manager of Peoria, Ill, and Jim Nuse, City Manager of Round Rock, Tx.

They will be invited back for a second round of interviews with the City Council and a public meet and greet to be held on Wednesday, September 22 from 5 p.m. to 6:30 p.m. at the City of San Marcos Conference Center, 3101 S. IH 35. Media are asked to pick up a press kit and badge at the registration table.

The City Council interviewed five candidates Tuesday and Wednesday out of a field of 67 applicants for the position. In addition to the finalists, they interviewed Bryan Long, Assistant City Manager of Lawton, Ok. and Modesto Mundo, Assistant City Manager of Lake Jackson, Tx.

The candidates also met with Interim City Manager Laurie Moyer and the manager's staff and toured the San Marcos community.

Kay Stroman of the Stroman Group, LLC, is coordinating the search and selection process for the City of San Marcos for city manager and city clerk. Stroman narrowed down the original group of city manager applicants to approximately 25, and then to seven, which were presented to the City Council at the Sept. 7 meeting. The City Council selected the five candidates to interview in person.

Stroman is still accepting applications for the clerk post through Friday, September 17.

Profiles for both positions are posted online at [www.sanmarcostx.gov](http://www.sanmarcostx.gov).
